Subject: Update for the NRDA meeting, Yerington Mine Site

The NRDA meeting we discussed is on April 6 and I have ya'll on the agenda first at 9 am. If you want a phone line I can set that up with a start of 9:15. I would also like to ask if perhaps we can have Steve Acree call in (in person would be nice, but I doubt likely) if that is possible. I did not want to ask him without checking in with ya'll.

I have not received that schedule from Jeryl yet but would like to talk to you about with the group might expect et cetera.

Thanks,

Dietrick
